

Colour Finishes Selector

This colour card is used when selecting the finishes colour for the Base Rail and Batten detail on our Roller Blinds and Avanti Roman Blind Systems. This colour card is also used when selecting the finishes for the Vertilux Fully Enclosed Kasset System 1.13, Z1 Zip Systems 1.16 and 1.17, Fascia Kasset System 1.11 and the tracks for Vertical Louvre System 5.1. Custom colours are available. Please refer to your account manager for details.

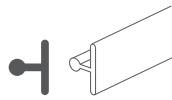

BASE RAIL STYLES

These Aluminium extrusions are manufactured to International Standard - ISO 9002 and Australian Standard AS 1866. Illustrations are not to scale.

AVANTI ROMAN BLINDS

Front Batten

Moulded from UV resistant acetal.
